## How to play

1. The host picks a winning number from 1 – 20, writes it in the top right hand corner and folds it over so no one can see (use sticky tape if necessary).
2. For a suggested entry of \$5, guess which cup contains the tea and write down your full name below a number.
3. Once all players have selected their number, the host reveals the winning cup!
4. The winner will receive half of the money collected in the sweepstake and the host will donate the remainder of the money to Cancer Council, to help fund vital research, support services and prevention programs.

Terms & Conditions: No purchase is necessary. To enter the Prize Draw you must enter your name and guess onto the relevant section of the poster. Entries by email, post or facsimile will not be accepted. Each entrant agrees that if they win, the host will donate at least half the total money collected to Cancer Council. If the winning cup is not chosen, choose the closest guess. Where there are two closest guesses the sweepstake winnings should be split between the two and a donation still made to Cancer Council.
